(*c*) That each consignment of fuel shall be covered by a passport issued by the Range Officer or any other officer deputed by the District Forest Officer in this behalf.

(*d*) That if any tree, shrub or growth reserved by the Department as noted in clause (*b*) *supra* is cut, he shall pay a fine not exceeding Rs. 10 per tree.

(*e*) That he shall abide by the rules of the Department as regards the kindling of the fires and shall hold himself responsible for any forest offences committed by his agents, employees or workmen.

(*f*) That no operations shall take place in the forest after sunset and before sunrise.

(*g*) That he shall not sublet the contract to anybody except with the written sanction of the District Forest Officer.

(*h*) That he shall have no right whatsoever over the coupes and over the fuel paid for but left unremoved in any of the coupes after the 30th June 1933.

(*i*) That he shall maintain a register in the form prescribed by the District Forest Officer showing the number of trees felled and the outturn of fuel resulting therefrom and shall keep it open for the examination of Forest Officers above the grade of guards.

(*j*) That for any breach of any of the conditions of the contract by the contractor or his agents, the contract shall be void at the option of the District Forest Officer and that the latter may, after issuing to the contractor, a notice of the cancellation of the contract, enforce forfeiture of all or any part of the deposit and shall resell the right or work it departmentally at the risk of the contractor as in clause (2) *supra*. If the deposit or part thereof is so forfeited, it shall be immediately made good by the contractor.

A. V. KESHAVA IYENGAR,
District Forest Officer.

ENGINEERING DEPARTMENT.

OFFICE OF THE EXECUTIVE ENGINEER, NEW BANGALORE WATER WORKS DIVISION, NEW RESERVIOR, THIPPAGONDANAHALLI.

Notice.

1. Notice is hereby given that sealed tenders for the supply of best hydraulic kankar will be received up to 2-30 P.M. on the 7th November 1932 at the Office of the Executive Engineer, New Bangalore Water Works Division, Thippagondanahalli.

2. The supply which will approximetely be 3000 C.yds. but not guaranteed will be spread over a period of 3 months from the date of acceptance of the tender and the monthly supply should not fall short of 1000 C.yds. in any month. The progress of supply shall be reckoned 15 days after the date of agreement.

3. The kankar shall be quarried from the recognised lime stone quarries in Seringapatam and Mandya Taluks of Mysore District or other equally good kankar lime quarries in the vicinity. It should be distinctly understood that no stuff brought from quarries situated outside the State will be accepted.

4. The rate per C.yd. which should be written in both words and figures should be for delivery at the site in stacks and should cover charges for quarrying, collecting, carting and loading into railway waggons, freight charges to Bangalore City Station and delivery at site including payment of royalty and toll charges *en route*.

5. The kankar brought to the site shall be formed into uniform heaps in the places allotted each measuring 10 x 3 x 1 yds. or lengths in multiples of 15 feet or 5 yards.

6. The kankar will be examined carefully at the site by the Officer in charge of the Works and all bad stuff rejected and removed at the contractor's cost.

7. The measurements passed by the Officer in charge shall be verified by the Executive Engineer who shall make any deduction necessary for dust or inferior stones which may vary from 8 to 15 per cent.

8. Each tender which shall be sealed and superscribed " Tender for supply of Hydraulic Kankar " should be accompanied by an earnest money of Rs. 500 in cash or Government pronotes.

9. The final acceptance of the tender will rest with the Chief Engineer who does not bind himself either to accept in full or part or reject any or all tenders.

10. The acceptance of the tenders will be notified at the Office of the Executive Engineer and no replies will be given to enquiries regarding the acceptance or rejection of any tenders.

11. The earnest money of the unaccepted tenders will be returned to the parties in due time.

12. Within eight days of the acceptance of the tender, the successful competitor will be required to enter into an agreement with the Department, in default of which, his tender will be considered cancelled and his earnest money will be forfeited to Government.

N. LAKSHMINARASIMHAIYA,
Executive Engineer.

BANGALORE DIVISION.

Notification dated 12th October 1932.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M. on 7th November 1932, for deviating the Bangalore-Magady road entrance near the Railway crossing, Bangalore City.

An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1933.

2. The plans, detailed estimates and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. Tenders should be accompanied by a statement in the form given below showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 500 (five hundred) in cash or Government Promissory Notes as earnest money and be superscribed "Tender for Deviating the Bangalore-Magady Road entrance near the Railway crossing, Bangalore City," in default of which, tenders will be rejected..

5. The final acceptance of any tender will rest with the Executive Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Percentage rates above or below the estimate amount will not be accepted.

10. No claims for enhanced rates will be entertained on any account after the acceptance of tenders.

11. The contractor will be dealt with in terms of the bond for any short progress or delay. In matters of all disputes about rates and measurements, quality of work, etc., and in all disputes of any kind the decision of the Chief Engineer will be final and legally binding on the contractors.

12. Rates should be quoted both in words and figures for each item of work and lump-sum provisions are subject to modifications as per data worked out during execution. The individual items of work under lumpsum provisions and the rates tendered for similar items of work will be paid and for other items, the rates as per schedule of rates will be paid at the descretion of the Executive Engineer.

13. Rates for masonry include bond stones to the required percentage at the required intervals of the quality and size to be specified.

Deviating the Bangalore-Magady road entrance near the Railway crossing, Bangalore City.
